Sir:

Applicants request that the references listed on the enclosed form PTO-1449 be made of record in the present application.

Identification of the listed references is not to be construed an admission of any individual associated with the filing or prosecution of the subject application that such references are available as "prior art" against the subject application. Furthermore, Applicants do not waive any rights to appropriate action to establish patentability over any of the listed documents should they be applied as references against the claims of the subject application.

The Assistant Commissioner is authorized to charge our Deposit Account No. 08-3425 for any fee which may be required in connection with this submission.

Respectfully submitted,

Dated: 10/16/98
